

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Director of Planning

At its meeting held March 9, 2004, the Board took the following action:

4

Supervisor Antonovich made the following statement:

“Concern was recently expressed at community meetings conducted in my District regarding the cost and the length of time required to process requests for approval of conditional use permits that authorize the use of shared water wells. Following these meetings the staff of the Department of Regional Planning reviewed issues related to my constituent’s concerns. The Department’s staff concluded that another more streamlined permitting option could be authorized if our zoning ordinance is amended. The zoning ordinance amendments would replace the current conditional use permit process with a director’s review process.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried (Supervisors Burke and Knabe being absent), the Board directed the Director of Planning to prepare amendments to the County Zoning Code for the purpose of streamlining current approval requirements for approval of a shared well for review by the Regional Planning Commission, including an amendment to authorize Regional Planning Department staff to approve the use of a shared well for a maximum of four residences following an appropriate environmental assessment, through the Director’s review process.
